Google Classroom

Dear parents,

This year, homework is posted on Google Classroom. Every child has their own account which will take them to their class page.

Your child needs to visit - www.classroom.google.com

They should see a page that looks like this:

The email is: firstname.surname@st-laurence.derbyshire.sch.uk

The password is: Student123 (please note the S is a capital letter)

When logged in you should see this page (it will show whatever class your child is in):

If you click on the class name it will take you through to the class page.

I suggest using the internet browser Google Chrome, this seems to support Google Classroom best.

If you have any other questions, please email your child's class teacher or myself (peter.hallam@st-laurence.derbyshire.sch.uk) and we will do our best to help.

Kind regards,

Mr Hallam
