Dear Parents/Carers,

To ensure that our children can continue their education we are asking that all children, with access to a suitable computer or tablet, use Google Classroom. You can access Google Classroom via this link: www.classroom.google.com. Your child has already been shown how to login and use the learning portal.

Teachers will be adding lessons and activities for children to complete at home during the week. We would like children to login daily to complete their activities. Staff will be logging onto the classroom during the day to give feedback to children and answer any queries you may have. We will also be checking that children are logging onto the portal. If children are not, teachers will be contacting you to see if help is needed. Please feel free to contact us at any time if there are any issues. Children will be expected to complete work from home if they are well enough to do so.

There are also other websites that your children are familiar with and may like to access during the school closure. Here is your child's log-in for the Google Classroom.

Google Classroom:

Email –firstname.surname@st-laurence.derbyshire.sch.uk

Password – Student123

If there are any children that are not able to access a laptop or tablet in order to complete any work set, please email your class teacher and a solution will be found to help you and your child.

If anyone needs stationary or any other equipment, please let us know.

Your child's teacher will be available via email, which they should have shared with you already. Please feel free to contact them at any time, they will endeavour to reply between 9am and 3pm Monday - Friday.

In the event that your child's teacher is ill, we will send a message and another member of staff will liaise, via Google Classroom, about the learning.

You can also contact:

Mrs Barker: ronni.barker@st-laurence.derbyshire.sch.uk

Mrs Tew: stew3@loscoe.derbyshire.sch.uk

School office: info@st-laurence.derbyshire.sch.uk

We send our warm wishes to you and our families who are self-isolating, please let us know if you need any support and our thoughts and prayers are with you all during this difficult time.
