We cannot stress enough how important it is that your child does not miss school. All lessons are built on prior learning, which means if children do not attend school, it takes a long time for them to catch up on what they have missed. The goal is for all children to reach AT LEAST 96% attendance.

**Please see our attendance policy. You will find this on the school website*

For your information

We would like to offer our warmest congratulations to Mrs. Melia who got married over half-term. It was a beautiful day and she was a beautiful bride. As you will see, her name has not changed so it will be nice and easy to remember!

School finishes on the 22nd December 2023 when we will break up for Christmas.

While the earth remains, seedtime and harvest, cold and heat, summer and winter, day and night, shall not cease."

Genesis 8:22
